

# ENZO Lecture

Kick-off KIT Graduate School ENZO

## Transforming the power grid to meet the challenge of climate change

Prof. Dr.-Ing. Jutta Hanson, TU Darmstadt

We cordially invite all members of KIT to attend our first ENZO Lecture. At the same time this will be the official kick-off of the KIT Graduate School „Enabling Net Zero“.

We are looking forward to seeing you!

**April 26, 2022 / 4:30 - 6:30 pm**  
**TRIANGEL Space, Kronenplatz**
